**Cheryl Galloway Joins BBA Aviation ERO  
as Regional Sales Manager Mid-Atlantic States**

Dallas, Texas...October 6, 2010...BBA Aviation Engine Repair and Overhaul (ERO) company Dallas Airmotive has hired Cheryl Galloway as Regional Engine Manager representing the Pratt & Whitney Canada product services in the mid-Atlantic states of the USA. Galloway will sell repair and overhaul services for PT6A, JT15D, PW500 and PW306C engines in North Carolina, Virginia, West Virginia, Kentucky and Tennessee.

“Cheryl brings a depth of experience to the job that our customers have come to expect from Dallas Airmotive,” commented Dennis DiMarco, BBA Aviation ERO Vice President Sales North America. “She has the technical background and a proven record of success selling our type of product to aircraft operators. Most importantly she is very customer focused.”

Galloway comes from an aviation sales background having previously worked for companies such as West Star Aviation/Premier Air Center, Pentastar Aviation, Simuflite and Falcon Jet in a variety of sales functions. She is a graduate of Embry-Riddle Aeronautical University with Bachelor of Science degrees in Aeronautical Studies and Aviation Management. She is a licensed A&P Mechanic and private pilot.

**(Note to Editors)**

BBA Aviation’s Engine Repair and Overhaul group of companies is primarily engaged in the repair and overhaul of gas turbine engines and parts support. Operating under the names Dallas Airmotive, H+S Aviation and Premier Turbines, the combined companies form a world leading, OEM-authorized, independent provider of services for Pratt & Whitney Canada PT6A/T, JT15D, PW100, PW300, PW500 and PW901 APU; Rolls-Royce Spey, Tay and Model 250/T63/T703; General Electric CF34, CT7/T700, and J85; Honeywell TFE731, HTF7000, CFE738, ALF502L engines, and Honeywell Model 36, 331-200/250 and RE100 series APUs; and the Hamilton Sundstrand T40-1 APU. Dallas Airmotive operates facilities at two locations in Dallas-Fort Worth metropolitan area plus a network of Regional Turbine Centers across the United States, Brazil and in England. Premier Turbines is located in Neosho, Missouri. H+S Aviation is located in Portsmouth, England. In addition to its overhaul and repair facilities, BBA Aviation Engine Repair and Overhaul operates two parts supply companies: International Turbine Service (ITS) and Barrett Turbine Engine Company. Headquartered in Grapevine, Texas, the combined companies employ more than 1,000 personnel who service business aviation, regional airline, military and government

agencies worldwide. For more information, please visit [www.BBAAviationERO.com](http://www.BBAAviationERO.com).

BBA Aviation plc is a leading global aviation support and aftermarket services provider with market leading businesses and attractive growth opportunities. BBA Aviation's Flight Support businesses (Signature Flight Support, ASIG and Executive Beechcraft) are focused on refueling and ground handling of business and commercial aviation aircraft. Its Aftermarket Services and Systems businesses (Dallas Airmotive, Premier Turbines, H&S Aviation, International Turbine Service, Barrett Turbine Engine Company, Ontic, International Governor Services and APPH) are focused on the repair and overhaul of jet engines and the design, manufacture and service of aerospace sub-systems and components.
