Ron Gottschalk Joins BBA Aviation ERO Sales Team

Dallas, Texas...March 1, 2011...Ron Gottschalk has joined Dallas Airmotive, a company of the BBA Aviation Engine Repair and Overhaul Group (ERO), as Regional Sales Manager for the company's Pratt & Whitney Canada engine services. Gottschalk will sell PT6A, JT15D, PW500 and PW306C engine repair and overhaul services in Montana, North and South Dakota, Wyoming, Colorado, Nebraska and New Mexico.

"Ron has an extensive background in sales and business development with major airframe OEMs and flight service providers," stated Dennis DiMarco, Vice President, Sales for BBA Aviation ERO. "The contacts he has made and the experience gained through these positions give him a clear understanding of our customer base and the services they need."

Gottschalk has more the 20 years of sales and business development experience in the business and general aviation market including time spent as General Manager of Raytheon Aircraft Charter Management and with fractional and private jet membership companies. Most recently Gottschalk ran his own aircraft brokerage company specializing in the purchase and sale of used aircraft and helicopters.

Gottschalk is a graduate of Spartan School of Aeronautics and holds multiengine-instrument ratings and an ATP license.

(Note to Editors)

BBA Aviation's Engine Repair and Overhaul group of companies is primarily engaged in the repair and overhaul of gas turbine engines and parts support. Operating under the names Dallas Airmotive, H+S Aviation and Premier Turbines, the combined companies form a world leading, OEM-authorized, independent provider of services for Pratt & Whitney Canada PT6A/T, JT15D, PW100, PW300, PW500 and PW901 APU; Rolls-Royce Spey, Tay and Model 250/T63/T703; General Electric CF34, CT7/T700, and J85; Honeywell TFE731, HTF7000, CFE738, ALF502L engines, and Honeywell Model 36, 331-200/250 and RE100 series APUs; and the Hamilton Sundstrand T40-1 APU. Dallas Airmotive operates facilities at two locations in Dallas-Fort Worth metropolitan area plus a network of Regional Turbine Centers across the United States, Brazil and in England. Premier Turbines is located in Neosho, Missouri. H+S Aviation is located in Portsmouth, England. In addition to its overhaul and repair

facilities, BBA Aviation Engine Repair and Overhaul operates two parts supply companies: International Turbine Service (ITS) and Barrett Turbine Engine Company. It also operates International Governor Services, a turbine engine control repair and overhaul company. Headquartered in Grapevine, Texas, the combined companies employ more than 1,000 personnel who service business aviation, regional airline, military and government agencies worldwide.
